Glasgow, Stirling & The Trossachs

Join us on a relaxing five day tour enjoying the spectacular scenery of the Trossachs known as Scotland in Miniature. We visit Callander & Stirling, an opportunity to visit the castle and the Wallace Monument. We also include a visit to the city of Edinburgh with its host of attractions such as the Palace of Holyroodhouse, the Castle and the historic Royal Mile. There will also be a full day to Glasgow with it's Manhattan-style town planning offering many sweeping vistas of the city's impressive Victorian buildings. But its the Art Nouveau 'Glasgow Style' for which the city has become famous, and no one should miss the work of one of Glasgow's most celebrated sons, architect and designer Charles Rennie Mackintosh.
